

DEMOCRATIC MEET OPENS TO BLARE OF BUGLES

Gas Situation in Dixon Becomes More Uncertain

ANOTHER "BIG THREE" FIGHT NOW EXPECTED

McAdoo, Palmer, Cox Lead in Race for Nomination

By Associated Press Leased Wire

San Francisco, June 28.—An innovation planned for the opening of the Democratic national convention today was the silencing of the great gathering by a bugle call instead of the usual pounding with the gavel. As the bugler's notes came to an end and the buzz of conversation on the floor ceased, a detachment of marines standing in front of the platform raised the national colors and presented arms while the band, high up behind the chairman, played the Stars Spangled Banner. The formal call to order by Vice Chairman J. Bruce Kremer, followed. The program for the rest of the afternoon was:

Invocation by Monsignor P. L. Ryan, vicar general of the Roman Catholic arch diocese of San Francisco.

Reading of the call for the convention by Secretary E. G. Hoffman.

Address by Vice Chairman Kremer announcing temporary organization and presenting National Chairman Homer S. Cummings as temporary presiding officer.

Keynote speech by Chairman Cummings.

Announcement of committees.

Adjournment.

San Francisco, June 28.—Delegates and leaders were prepared for a fight over both platform and candidates as the Democratic national convention assembled today for its opening session.

The actual convention work itself was only preliminary and perfunctory but the arrival of convention day served to bring further into the open the questions which had been dividing delegates and perplexing the older politicians in their pre-convention conferences.

The keynote speech of Homer S. Cummings as temporary chairman was the principal feature of the day's program. Later in the day the newly selected convention committees were to furnish the first real developments as they began their tasks of writing the platform hearing appeals from contests over delegate seats and making up the convention rules and a slate of permanent convention officers.

2,000 DROWNED AS TRANSPORT SANK IN OCEAN

By Associated Press Leased Wire

London, June 28.—Two thousand British, Austrian, German and Finnish prisoners of war were drowned when a Bolshevik steamer was sunk recently in the Neva river, according to a Helsinki dispatch to the Central News. A Reuters report from Stockholm would seem to confirm this dispatch, saying that a ship was sunk on the sixth of June with 2,000 repatriated prisoners on board. It, however, does not mention any loss of life.

statement only put the technical situation back where it was when McAdoo announced recently that he did not care to be considered a candidate. At that time both Attorney General Palmer and Governor Cox were active candidates and their supporters were claiming victory.

In the pre-convention scramble for delegates many of those who had been McAdoo supporters promised to vote for other candidates but the McAdoo men declared today that every one of these could be brought back into the fold.

Meredith Not a Candidate.

There was frequent mention of Secretary Meredith of the agricultural department as a possible running mate for McAdoo. Mr. Meredith's presidential campaign headquarters was closed Saturday when it declared he was in no sense a candidate.

Discussion of candidates manifestly was still subordinate in the minds of many delegates to the prohibition issue and they regarded the inevitable preliminaries of the opening session with impatience as they waited for the time when the differences of the wets and drys could be threshed out. It seemed a foregone conclusion that the question would be settled only after a stubborn fight on the floor, bringing into play the best oratorical and strategic fireworks of a typical Democratic convention. The Legion of Nations and the Irish question also threatened to get out of the control of the resolutions committee and shower the convention floor with pyrotechnics.

There were many expressions of hope, however, that both might be threshed out to a satisfactory conclusion behind the committee doors. In the organization of the resolutions committee itself, a fight was brewing though it was not apparent how serious it might become. Senator Glass, Virginia, chosen by the administration as it candidate for chairman was declared by friends to be certain of election though a movement against him had been started by western delegates.

HOSTILE SPIRIT OF GERMANS IS DANGEROUS YET

—MARSHAL FOCH

Constant Watch of German People is Needed

By Associated Press Leased Wire

Paris, June 28.—Allied nations are masters of the situation in the Near East, as elsewhere and if in complete harmony can employ all the forces at their disposal to carry out their policies which are "soberly proportioned to their interests," said Marshal Foch in an interview today.

Discussing German disarmament, he asserted this matter was not the destruction of 1,500 cannon, but the overcoming of the hostile and militarist spirit of the German people.

"If such a spirit," he continued, "should again be translated into action the arm it would use would be the most terrible and swiftest on earth—the airplane. The way to guard against renewed aggression is to increase the distance that separates us from the enemy. When we leave the Rhine Germany is within snatching distance of Oxford from which she could lay London waste in one night between dark and dawn. Until that evil spirit dies out it is our duty to the next generation to see that our precautions are never abandoned."

Old Precinct Men Will Hold Offices Until September '22

Springfield, Ill., June 28.—Precinct Committee elected in September, 1918, and returned to power when the supreme court killed the primary law will hold over until September, 1922, according to a ruling of Attorney Brundage this morning.

This opinion will have little effect downstate, as old and new committees are largely the same but in Cook county gives the old committeemen two years longer than politicians expected who hoped for another primary this September. No relief for them is in sight except the legislature which meets in January.

This interpretation of the law is in accordance with previous rulings of former Attorney General Lucey in 1914 and 1916, and of Attorney General Brundage in 1918. It is not an interpretation, the attorney general's office emphasized, made for this particular controversy. The opinion was written in response to inquiry from County Judge Thomas Graham of Danville.

Chicago Men's Car Turned Over Sunday

A party consisting of five Chicago men, who were driving to Sterling to spend Sunday visiting with friends, met with an accident yesterday morning about 11 o'clock, just south of the city limits on the Chicago road when the car in which they were driving turned turtle as they were driving into Dixon. The car was somewhat damaged but the occupants escaped serious injury. They proceeded to Sterling, leaving the car here to be repaired.

Co. F. Spent Day At Grand Detour

The officers and members of Company F, of this city enjoyed an all day outing yesterday at Grand Detour. They left the armory yesterday morning and drove to the village where the morning was spent in playing ball and other sports. Dinner was taken at the Sheffield hotel and in the afternoon, the militiamen went to Castle Rock for a few hours, returning to Dixon early in the evening.

Former Dixonite is Wanted in Morrison

Frank Reap, a former resident of this city, was arrested Sunday morning at 1 o'clock on Everett street by Chief Van Bibber and yesterday turned over to Sheriff Whitney of Whiteside County. The Sheriff telephoned the Dixon police Saturday night, requesting them to arrest Reap, who is wanted in Morrison for obtaining goods under false pretenses.

TO ATTEND BAND CONCERT

A large number of Dixon people have signified their intention of going to Sterling tomorrow evening to attend the regular weekly open-air concert by the Sterling Military Band.

TO TRY LAW SUITS.

Atty. E. E. Wingert went to Chicago today to try a law suit and from there he will go to South Dakota on a similar mission.

Democratic Party Sole Custodian of Honor of United States, Keynoter Cummings Says

By Associated Press Leased Wire

San Francisco, June 28.—The League of Nations covenant was championed as the "Monroe Doctrine of the World" by Homer Cummings, temporary chairman of the Democratic national convention, in his keynote address here today.

Of the peace treaty's defeat in the senate he said: "No blacker crime against civilization has ever soiled the pages of our history."

He characterized the Republican platform as "reactionary and provincial." "Filled with premeditated slanders and vague promises, it will be searched in vain for one constructive suggestion for the reformation of the conditions which it criticizes and deplores," he continued.

"The oppressed peoples of the earth will look to it in vain. It contains no message of hope for Ireland; no word of mercy for Armenia; and it conceals a sword for Mexico. It is the work of men concerned more with material things than with human rights. It contains no thought, no purpose which can give impulse or thrill to those who love liberty and hope to make the world a safer and happier place for the average man."

PRaises PARTY RECORD

He declares that the peace time record of the democratic party from March 1913, to the outbreak of the world war has to its credit "more effective, constructive and remedial legislation than the Republican party had placed upon the statute books in a generation."

Praising the administration's course in the war he said: "We fought a great war, for a great cause and we had a leadership that carried America to greater heights of honor and power and glory than she has ever known before in her entire history."

"Let no one misunderstand us. These great affairs were carried forward under the stimulus of American patriotism, supported by the courage and spirit of our people. All this is freely and gladly acknowledged, but surely the time has come when, because of the calculated criticism and premeditated calumnies of the opposition, we are entitled to call attention to the fact that all of these things were accomplished under the leadership of a great Democrat and of a great Democratic Administration. If the Republican leaders are not able to rejoice with us in this American triumph they should have the grace to

remain silent, for it does not lie in the mouths of those who conducted the Spanish-American war to indulge in the luxury of criticism."

"CLEANEST WAR"

Referring to congressional investigations by "smelling committees" he said that over 80 investigations have been made, over two million dollars wasted and "the result has been to prove that it was the cleanest war ever fought in the history of civilization."

"The Republican party became so fixed in its incorrigible habit of conducting investigations that it finally turned to the fruitful task of investigating itself. They discovered fraud and graft and gross and inexcusable expenditures. The revelations disclose the fact that the meeting at Chicago was not a convention but an auction. The highest bidder, however, did not get the prize. The publicity which overtook the proceedings frustrated the initial purpose. The Chicago convention left the Democratic party as the local custodian of the honor of the country."

Peace achievements of the Democratic party, he asserted, "freed the farmer from the devastating effects of ruinous financial control. Labor was given its Magna Charta of Liberty. Business and finance were released from the thralldom of uncertainty and hazard."

CITES INCOME TAX

"The income tax law," he said, "relieved our law of the reproach of being unjustly burdensome to the poor. The extravagances and inequities of the tariff system were removed and a non-partisan tariff commission created. Pan-Americanism was encouraged and the bread thus cast upon the waters came back to us many fold. Alaska was opened to commerce and development. Dollar diplomacy was destroyed. A corrupt lobby was driven from the national capital. An effective Seaman's Act was adopted. The federal trade commission was created. Child labor legislation was enacted. The Parcel Post and the Rural Free Delivery were developed. A good roads bill and a rural credits act were passed. A secretary of labor was given a seat in the cabinet of the president. Eight hour laws were adopted. The Clayton Amendment to the Sherman anti-trust act was passed, freeing American labor and taking it from the list of commodities. The Smith-Lever bill for the improvement of agricultural conditions was passed. A corrupt prac-

tices act was adopted. A well considered warehouse act was passed. Federal employment bureaus were created. Farm loan banks, postal savings banks and the federal reserve system were established.

"The federal reserve system, passed over the opposition of the leaders of the Republican party, enabled America to withstand the strain of war without shock or panic and ultimately made our country the greatest creditor nation of the world."

HITS AT REPUBLICANS

Turning to the record of the Republican congress since 1918, Mr. Cummings said it was "barren of achievement, shameless in waste of time and money and without parallel for its incompetencies, failures and repudiations."

President Wilson's two appeals before congress for legislation dealing with profiteering, reduction of taxation, aid for soldiers and laws to improve relations of capital and labor were ignored, he declared, and "after a year of sterile debate our country has neither peace nor reconstruction."

He dwelt particularly on attacks made upon the President. Malice followed him to the peace table, he said, and wide spread propaganda made it imperative when he returned from Paris to "make a struggle for that which had been won at incalculable cost. This meant wreck of health, sickness for months on a bed of pain; and worse, the sickness of heart which comes from the knowledge that political adversaries are savagely destroying not merely the work of men's hands, but the world's hope of settled peace. This was the affliction—the crucifixion."

Mr. Cummings continued that in one sense, "it is quite immaterial what people say about the president. Nothing we can say can add or detract from the fame that will flow down the unending channels of history."

He cited the Republican and progressive platforms of 1916 as part of the record placing this country in favor of the league of nations.

"The Republican platform contains a vague promise to establish another or a different form of association," he said. "There is no moral dishonesty more transparent than that which expresses fealty to a league of nations while opposing the only league that exists or is ever apt to exist."

"What nations stand outside? Revolutionary Mexico, Bolshevik Russia, (Continued on Page 2)

SECRETARY OF C. OF C. CAN'T COME TO DIXON

W. F. Kreiger Sends Word He Must Take Wife to the West

The Chamber of Commerce committee in charge of the employing of a secretary, has received news somewhat discouraging from W. F. Kreiger, who was expected to arrive here in July to take charge of the duties of a paid secretary. Owing to the condition of the health of Mrs. Kreiger, who is obliged to leave her home in St. Louis for a western climate, Mr. Kreiger has notified the Dixon Chamber of Commerce committee that he will be unable to report at the time he had expected. He could not come to Dixon probably until late fall.

The committee has been successful in locating two other men who are available and have had considerable experience along this particular line. They are in communication with both prospective parties and hope to arrive at some definite conclusion in a week or ten days and possibly by that time to have one or both men on the ground to look over the local field.

It is to be regretted that such a condition has arisen at the time when it is expected that the committee arranged for the services of Mr. Kreiger, that he would take charge of the duties of secretary of the Chamber of Commerce about the first of July. On the other hand, the committee feel that they are fortunate inasmuch as there is a prospect of being able to secure another man with equal ability and with very little delay.

K. C. Had Big Time At Sunday Meeting

Dixon council, Knights of Columbus celebrated their eighteenth anniversary yesterday in a most appropriate manner. The program as arranged was carried out without any change and the largest crowd of visitors who have ever been present at a former occasion were in attendance yesterday upon the attendance, visitors coming by train and automobile from many other councils in the northern part of the state.

A class of more than 60 candidates received the work of the third degree at 3 o'clock in the afternoon at the Armory hall. A degree team from a Chicago council exemplified the work. In the evening at 6:30, the candidates and visitors and members of the Dixon council, assembled around the banquet tables in the Moose hall, where about 600 were served by the committee in charge of this part of the program.

Sherwood Dixon officiated as toastmaster at the program of speaking and musical numbers which followed the banquet. Vocal numbers were given by Mrs. Eleanor Curtin, Joseph Barry, Paul Kelley and Miss Denny. An orchestra furnished music during the serving of the banquet. Grand Knight Martin J. Gannon delivered the address of welcome, the feature of the program being the address by Rev. Father O'Rourke, who spoke upon the subject, "Ideal Knighthood."

Monday Will be Holiday in Dixon

Monday of next week will be a legal holiday in Dixon, the Fourth of July being observed on that day. The mercantile committee of the Dixon Chamber of Commerce announced this morning that all banks and business houses in the city would be suspended Monday.

All of the city and county offices will be closed. The post office will observe the regular holiday hours, with one city delivery in the morning. The general delivery window will be open until 10 o'clock and there will be no delivery of mail on the rural routes.

President, Supt. of Tire Co. are Killed

By Associated Press Leased Wire
Pittsboro, Pa., June 28.—William C. Walsh, 33 president and general manager of the Vulcure Tire & Rubber company, and James A. Maney, 32, general superintendent, were killed early today by the explosion of a dryer.

Frank Walsh, the president's brother, lost an arm and suffered other injuries which may prove fatal.

A picnic of the King's Heralds of the Methodist church will be held on Tuesday afternoon at Lowell Park. The children are to meet at the foot of North DeMont Ave., near the boat-houses at 2 o'clock.

APPEALS FOR CONSERVATION ARE FRUITLESS

Company May Be Forced to Cut Service This Eve

BULETIN

At 11:15 o'clock it was announced that the supply of gas in the reservoir would probably run through the noon hour and into the afternoon; but it was not considered likely the service could be maintained through the supper hour. Should the gas be shut off this afternoon or evening it will not be turned on again until 7 o'clock tomorrow morning.

With no opportunity to set any type from 1 o'clock Saturday until this morning because of the cessation of the gas service in the city, and with warning received at 9 o'clock this morning that the service would probably be shut off by noon today, the Telegraph is again forced to go to press today with the greater part of its news matter unset. An effort is being made by the Telegraph force to evolve some system whereby more type can be set during the period of seriously curtailed gas service, and the forbearance of our readers is earnestly beseeched.

The shortage of gas-producing coal is becoming more and more evident in Dixon daily, for this morning Engineer Adams of the gas department warned the Telegraph that the gas supply would probably not last through the noon hour, and accordingly all the plans for the day's work in this office were frustrated and it was necessary to hurry the paper to press in the best way possible.

Helped Us Saturday

When the service was shut off at noon Saturday, Mr. Adams after an hour's shut down, ordered the supply turned on for an hour in order that the Telegraph might get to press, and the service was again shut off until 7 o'clock Sunday morning.

During the interim the plant made 34,000 cubic feet of fluid, and during Sunday 25,000 cubic feet were made but the consumption yesterday and last night pulled the supply down to 25,000 cubic feet, the amount in the reservoirs this morning, and each hour during the morning showed a big loss.

Is No Conservation.

Company officials state it is useless to ask consumers to be conservative in the use of gas, and since their appeals have fallen on deaf ears all they can do is maintain the service as long as possible at the various intervals, and then, when the supply in the reservoirs becomes so low as to be dangerous, to shut it off.

Arrested on Charge of Driving on New Lincoln Way Road

C. E. Heaps, contractor for the construction of the cement paving on the Lincoln Highway west of the city, had warrants issued in the court of Justice George W. Hill this morning for four parties whom he charges insisted in removing the barrier across the new road and driving over the new cement despite warnings. Warrants have been issued for E. J. Countryman, Henry Hey, E. N. Detweiler, and Bertram Abney and the cases will be tried this afternoon at 2 o'clock in Justice Hill's court.

Pioneer Amboyite Died on Sabbath

Adam S. Mynard, aged 81, a pioneer resident of Amboy, died at the Amboy hospital at 1 o'clock Sunday afternoon, after a long illness. Funeral services will be held at 2 o'clock Tuesday afternoon at the Vaughan undertaking rooms in Amboy. Rev. Vinton Lee officiating, and with burial at Prairie Repose.

CONFERRED DEGREE.

W. W. Trautman went to Maywood Saturday evening where he assisted a number of railroad men, all members of the Masonic orders, in conferring the work on J. W. Wilcox, formerly superintendent of Hall signals, and an ex-resident of Dixon.

Attorney H. A. Brooks went to Morrison this morning where he is transacting legal business.

Corn Advances as Weather Keeps Hot

By Associated Press Leased Wire
Chicago, June 28.—Hot dry weather giving reason for anxiety about the safety of the oats crop resulted today in a sympathetic advance of the corn market. Opening quotations, which ranged from 1 1/2 to 1 3/4 higher were followed by moderate further gains and then a decided reaction.

Broad activity developed in oats. Field conditions were continued as bullish. After opening quarter cent to one cent higher the market rose still more.

Provisions reflected the strength of grain and hogs.

Subsequently, predictions that the hot wave would continue kept the market tending upward. The close was strong, 1 1/2 to 1 3/4 net higher.

ANOTHER "BIG THREE" FIGHT NOW EXPECTED

(Continue from Page 1)

and was based primarily on the belief that the northwest had not been accorded proper recognition in the convention. No one from that section, they declared was on the slate of convention officials or was prominently mentioned for either the presidency or the vice presidency.

Election of the resolution committee chairman was expected late in the day and at the same time the newly formed credentials committee was to take up the Georgia and Missouri contests while the rules committee was determining on a list of permanent officers for the convention. Senator Robinson of Arkansas had been elected by the administration group for the permanent chairmanship and his endorsement by the committee seemed assured.

Contrary to the expectation of many delegates, William J. Bryan was having little to say about the permanent organization of the convention and its committees. Busy with his fight to put a dry plank into the platform, he apparently was interposing no active opposition to the administration program though he was credited with lending encouragement to the candidacy of Senator Walsh for the resolution chairmanship.

Bryan Day Decides.
As in more than one previous national convention, Mr. Bryan was looked upon as an unknown quantity which might turn out to be the deciding factor in almost any of the political equations now confronting the party leaders. No one professed to know what new and unexpected element he might bring into play at the critical time.

J. Bruce Kremer, of Montana, vice chairman of the national committee had been selected to call today's session to order and to present Chairman Cummings. At the conclusion of the keynote address of Mr. Cummings all that remained to complete the day's program was to approve the elections for the various committee members already made by the state delegations.

Respected Woman of Franklin Dead

Mrs. Andrew Reinhart, an aged and highly respected resident of Franklin Grove, died this morning at ten o'clock from complications arising from heart trouble. She leaves three daughters, Mrs. Lottie Kesseling and Mrs. Lizzie Kersten, of Franklin Grove, and Mrs. Katherine Shaulis, of Dixon, and two sons, John E., of Franklin Grove, and Henry C., of Dixon. Further details will be given later.

The funeral of Mrs. Reinhart will be held on Wednesday afternoon at 2 o'clock at the home of Frank Kesseling, south of Franklin Grove. Rev. J. H. Johnson, of Brookville, formerly pastor of the Grace Evangelical Church of Dixon, will have charge.

DELAWARE HAD TEN PER CENT GROWTH; 20681

By Associated Press Leased Wire
Washington, June 28.—Delaware, first state whose total has been announced in the fourteenth census, has a growth of 20.681, or 10.2 per cent in the last 10 years, making its total population 223,003, the census bureau reported today. In the 10 years ending with 1910 Delaware increased 17,587, or 9.5 per cent with a total population 202,322.

New Castle county, containing more than half the population of the state, had an increase of 25,051, or 20.3 per cent, while the other two counties showed decreases. Wilmington, largest city in the state, made up 22,757 of the increase in New Castle county and jumped into the cities of the 100,000 class with a total population of 110,168, or an increase of 26.0 per cent over 1910.

Ten years ago Delaware was forty-seventh in population among the states with about 55,000 more people than Wyoming and about 121,000 more than Nevada, the two states with the smallest populations. In area Delaware ranks next to the smallest state, Rhode Island, and in 1910, had 163 inhabitants to the square mile, ranking as ninth state in that respect.

Stores Will Close at Noon Thursday

At noon Thursday the retail establishment of Dixon will commence the practice of enjoying a half holiday on each Thursday afternoon during the months of July and August. The practice, which was decided upon recently at conferences of the business men, provides for closing all stores at noon on Thursday, allowing proprietors and clerks to have the half days off. Patrons of the stores are urged to note the arrangement and plan their shopping accordingly. The banks and barber shops will also close at noon on Thursday.

CHILDREN'S DAY IN FRANKLIN

On Sunday morning a very attractive Children's Day program was given in the Methodist church at Franklin Grove by the young people of the church, assisted by the orchestra. The church was filled with an appreciative audience and the Children's Day offering to the Educational Board for the purpose of making loans to young women desiring higher education amounted to \$21, the largest offering taken in seven years for this purpose. The church was elaborately decorated with flowers and presented a very beautiful appearance. Included in the attractive features of the program were a Maypole exercise, the formation of the American flag by eight girls, and an exercise presented by the Primary Department, entitled "Flowers and the Toadstools."

APPEALS FOR PARTY

"It is not yet too late. Let us stand with the forces of civilization. The choice is plain. It is between the Democratic party's support of the league of nations, with its program of peace, disarmament and world fraternity, and the Republican party's platform of repudiation, provincialism, militarism and world chaos."

BLAMES SEN. LODGE

Senator Lodge, he said, refused to offer constructive amendments at any time. "So intolerant was his attitude that he would not even consider a compromise proposed by former President Taft of his own party and which was assured of support of 40 democratic senators. Senator Lodge knew that he controlled the senate and that in his own time and way he would destroy the treaty."

"This is the sordid story of its defeat," said Cummings, after reviewing the senate's action in the matter. "No blinder crime against civilization has ever soiled the pages of our history. The last chapter was written at Chicago."

LET THE TRUE PURPOSE OF OUR PARTY BE CLEARLY UNDERSTOOD

"We stand squarely for the same ideals of peace as those for which the war was fought. We support without flinching the only feasible plan for peace and justice. We will not submit to the repudiation of the peace treaty or to any process by which it is whittled down to the vanishing point. We decline to compromise our principles or pawn our immortal souls for selfish purposes. We do not turn our backs upon the history of the last three years. We seek no avenue of retreat. We insist that the forward course is the only righteous course."

"We seek to re-establish the fruits of victory, to renege the good faith of our country and to restore it to its rightful place among the nations of the earth. The heart of America stirs again. The ancient faith revives. The immortal part of man speaks for us. The services of the past, the sacrifices of war, the hope of the future, constitute a spiritual force gathering about our banners. We shall release again the checked forces of civilization and America shall take up once more the leadership of the world."

Mr. and Mrs. Arthur Penny, and Family.

Angier Wilson left last evening for Lansing, Mich., to spend a few days on business.

When a Woman is Nervous—Worried

The lives of most women are full of worry. Men's troubles are bad enough, but women's are worse. Worry makes women sick. It pulls them down, and in their weakened condition they are subject to pains, aches, weakness, back-aches, headaches and dizzy spells.

Most women neglect their health, and for this they pay the penalty. Any woman will find that neglect does not pay. A little more attention to health would brighten up her life. If she asks her neighbors she finds that Dr. Pierce's Favorite Prescription benefits a woman's whole system. It not only acts upon the troubles and weaknesses peculiar to women, but is an all-around tonic that braces the entire body, overcoming nervousness, sleeplessness, headaches, dizziness and a run-down condition.

MOUNT VERNON, ILL.—"I am glad to say that Doctor Pierce's Favorite Prescription proved just as good as it is advertised to be. I was weak and lacked strength and ambition. I had worked hard and was poorly. I used the 'Favorite Prescription' and it gave me new strength, and seemed to put new life in me. I was pleased that it did so much for me and I am very glad to recommend it."—Mrs. WILL NEWBY, No. 1213 West Broadway.

U-BOAT PRISONER TELLS EXPERIENCE

Richard Cannon, Officer of Ill-Fated U. S. S. Neptune Gives Story of Remarkable Adventure and Recovery

Richard Cannon, Chief Petty Officer of the U. S. S. Neptune, whose dramatic capture at sea by a German U-Boat and subsequent experience aboard the submarine and in a German prison hospital, thrilled the entire country, is still another world-war hero to test the remarkable re-

constructive powers of Tanlac and give it his strong endorsement. Mr. Cannon's adventures were so harrowing that his constitution was completely shattered but after months of suffering he has now regained the wonderful health that enabled him to pull through his adventures alive and is today the same strapping two hundred pound fighter that embarked on the ill-fated collier. But let him tell his own story:

"When the Neptune was torpedoed off the Irish coast," said Mr. Cannon, who now lives at 707 E. Lafayette, Tampa, Fla., "I had my right leg and five ribs broken by the explosion, and when I came to my senses I found myself on board a sub-marine bound for Germany. I was kept in a German prison hospital for five

months, and you can imagine what I must have suffered when I tell you that I fell off in weight from two hundred and twenty-five to a hundred and thirty-one pounds. When I was repatriated and finally got my discharge in February, 1919, I was lithe better than a living skeleton. I had no appetite and my digestive system was so upset that what little I did eat always gave me severe pains in the pit of my stomach. Before I joined the service I never knew what nerves were, but after what I went through my nerves were so shattered that I couldn't keep still a minute and the slightest thing upset me. For six months I continued in this condition, unable to pick up strength and so weak that any attempt at work tired me out completely. I began to think that I should never be a well man again."

"But the way Tanlac overcame my troubles and built me up was nothing short of marvelous. It gave me such an appetite that I wanted to eat all the while, and I sure did make up for lost time. I had no more bother with indigestion and from then on I picked up strength and put on weight until now I tip the beam at two hundred and four pounds and am as well and strong as I ever was before I joined the service. My nerves are as steady as a die and I'm like my old self again. Tanlac is certainly a grand medicine and I think every suffering person ought to try it."

"Tanlac is sold in Dixon by the Public Drug and Book Co., and by the leading druggists in every town."

Death Takes Baby From Sunday Home

The funeral of Jean Elizabeth Sunday, baby daughter of Mr. and Mrs. Charles Sunday of Franklin Grove, who died Saturday evening, was held at two o'clock this afternoon, with burial in the Franklin Grove cemetery. The child was not quite a year old. Funeral services were conducted by Rev. W. Hutchinson, pastor of the Franklin Grove Methodist church.

DR. C. H. BOKHOFF RETURNED HOME

Dr. C. H. Bokhoff returned home today from a short business trip to Chicago.

CARD OF THANKS

GIRL "BOUNCERS" WILL TOLERATE NO HAIR PULLING BY DELEGATES AT CONVENTION

If John Hughes' husky sergeant-at-arms can't manhandle the delegates who try to start something at the Democratic Convention Hall in San Francisco, the staff contains three pretty girl "bouncers" who can. The fair sercants-at-arms got their training in college. The two here shown are, (left) Miss Josephine Bender, alternate from Grand Rapids, Mich., and Miss Marian Marsh, daughter of Wilbur Marsh, of Waterloo, Iowa. They were room-mates and class-mates in Vassar. The third "bouncer" is Miss Augusta Glass, daughter of Carter Glass of Virginia.

CAME TO HELP GRANDMA MANAGE THE CONVENTION

After Grandma Breckenridge Castleman of Louisville, Ky., arrived in San Francisco there was no chance that the Democratic National Convention would be mismanaged. Of that her granddaughter, Miss Mary Hone of New York was quite smilingly sure. Mrs. Castleman claims to be the oldest living delegate to any party convention—without revealing her exact age—and is also a member of the executive committee of the National Democratic committee. Here they are going to Convention Hall.

Says "Half Convention Seat" Better Than None

Mrs. Frank Hiram Snell, only woman delegate from the District of Columbia, is the best optimist at the Democratic National Convention. She was given only half a seat. "Better than no seat at all," she chuckled.

freshments were served by the hostess.

Mrs. J. Aikens, of Forrester, came Wednesday to visit with relatives.

Dr. Murphy, of Dixon, was a caller here on professional business the first of the week.

Mrs. Fred Woodruff tripped on a board recently and fell, injuring herself quite badly.

Mrs. June Barnhart, of Milledgeville, spent several days at the home of Mrs. Alfred Reinert the first of the week.

Prof. and Mrs. Eikenburg and son, Robert, of Kansas City, Kan., arrived here Tuesday evening to visit with Mr. Eikenburg's parents.

Mrs. A. J. Hersch, of Palo, and Mrs. Daniel Shaw. They made the trip by automobile.

Benton Peery, son of Rev. and Mrs. R. B. Peery, rendered a beautiful solo in the Lutheran church Sunday morning which was greatly appreciated.

Mr. and Mrs. Maurice Rowe and daughter, Margaret, of Mt. Morris, were Palo visitors Thursday evening.

Mrs. A. J. Hersch, of Palo, and Mrs. Charles Poffenberger, of Kasson, Minn., expect to leave for Los Angeles Calif., called there by the serious illness of their mother, Mrs. Katie Smith.

The Newcomer reunion was held at Lowell Park Thursday of this week. There were about eighty-five present from Palo, Mt. Morris, Oregon, Milledgeville and Dixon. The day was one which will long be remembered.

Peter Horner, of Lanark, spent Thursday night and Friday here with his granddaughter, Mrs. Glenn Wilson.

Mr. and Mrs. Rowand, Miss Mary

WRITING FOLK GET LOW-DOWN ON THE CONVENTION

"Bones, chase the blues, get the news." Unable to pry loose any inside stuff on the Democratic nominee, newspaper publicity folk have been forced to seek diversion in the ancient pastime of "African Golf" and are shown here trying to get a few points.

"WELCOME TO OUR CITY!"

Here are two good and overwhelming reasons why the Democratic delegates—the men at least—totally approve of the selection of San Francisco as the city of the National Convention. There are others, equally persuasive—all of them associated with the hostess committee whose pleasant duty it is to say, "Welcome to our city, stranger!" The two Californians pictured are (left) Miss Frances Joffe, and Miss Genevieve Cooney. Can you blame the delegates for their enthusiasm?

Sanborn, and Mrs. William Miller motored to DeKalb last Thursday, bringing the latter's daughter, Ruth, home with them.

The Ideal club held its picnic at Lowell Park Wednesday.

Miss Hazel Wendle went to Freeport Thursday for the day.

Mrs. George Strickler went to Aurora Thursday and from there will go to Chicago.

Frank Sprecker has purchased the Raymond Good residence and will move there soon.

Henry Peters, of Lanark, visited friends here Thursday.

Frank Deering received a telegram Friday morning that his son, Francis, who is a brakeman, was seriously injured, having had his back broken, his skull fractured, and one of his hands cut off. Just how the accident happened has not been learned. He was taken to an Elgin hospital where it is thought he cannot long survive.

R. B. Stone, of Lanark, was in Palo on business Thursday of this week.

Mr. and Mrs. John Fearer, of Cedar Falls, Iowa, and Mr. and Mrs. Parker Fearer, of Grundy Center, Iowa, who have been visiting their sisters, Mrs. Bert Tavenner and Mrs. Fletcher Burke, left for their home Tuesday morning. Another sister, Mrs. Wilbur Brooke, of Oregon, accompanied them. The trip is being made by automobile.

James Grant and bride returned home Thursday evening of this week from a two weeks' wedding trip.

Mr. and Mrs. Bert Fuller and children and Mrs. Julia Muller, of Savannah, spent Sunday at the home of Mr. and Mrs. J. W. Fuller.

Dr. Joseph R. Hibarger returned home last week from a several weeks' treatment in the Dixon hospital.

Miss Mary Larkin, of Fulton, and Miss Boka, of Clinton, Iowa, spent the week-end here with the former's parents, Mr. and Mrs. William Larkin.

Miss Myrtle Snyder returned home Saturday evening from Cincinnati, O., to spend her vacation with her mother, Mrs. Laura Snyder.

Mrs. Clinton Leber and son, Max, left for Rochester, Minn., to visit her brother, O. Garnhart.

CLARK-LAUER WEDDING—

An exceptionally early morning wedding in which two popular young people were concerned, was that of Miss Mary Margaret Clark, daughter of Mr. and Mrs. Philip Clark, of Amboy, and Leo Lauer, son of Mr. and Mrs. George Lauer, formerly of Sublette, Ill., and now of Chicago, which took place at St. Patrick's church in Amboy Saturday morning at 5 o'clock.

Rev. James Lauer, of St. Bede's College, Peru, Ill., a brother the groom, read the mass. He was assisted in the service by Rev. C. P. Cullen, of the Amboy parish. William E. Clark, the brother of the bride, served as best man and the bride was attended by the groom's sister, Miss Erna Lauer, of Chicago.

For the ceremony the bride wore a silk suit in the fashionable apricot shade, with hat in the same color. Miss Lauer wore blue tulle. Both carried rosaries.

A three-course wedding breakfast was served at the home of the bride's parents. Mr. and Mrs. George Lauer, of Chicago, and Miss Katherine Malach, of Sublette, were out-of-town guests.

Mr. and Mrs. Lauer will make their home in Sublette where Mr. Lauer conducts an insurance business. They are now on an automobile tour of Wisconsin, the bride wearing for the trip a costume in blue jersey.

CORINTHIAN SHRINE—

The Corinthian Shrine, local chapter of the White Shrine of Jerusalem, held a ceremonial meeting on Friday evening and at this meeting forty-two candidates were admitted, the candidates coming from Milledgeville, Amboy, Palo, Ashton, Rock Falls, Rochelle, Ashton, Sterling, Dixon, and one from Chicago. Milledgeville was especially largely represented. The Watchman of the Shepherds, A. E. Jennings, of Prophetstown, and his wife and Mrs. Rodney Ayres, of Heyworth, were out-of-town guests. A social hour with light refreshments followed the business session. No other meeting will be held until September.

ROCKWOOD-DE PEW—

Leonard E. De Pew, of Lee Center, and Miss Lucy A. Rockwood, of Amboy, Ill., were married at the Methodist parsonage at 11 o'clock Saturday morning by the Rev. Ernest C. Lumsden. Carl Mabes and Miss Mildred Butler, of Lee Center, attended the young people. The bride's parents, Mr. and Mrs. Rockwood, were also witnesses of the ceremony. Mr. and Mrs. De Pew will make their home in Chicago.

"STATES RIGHTS" LOOM UP AS PROMINENT PUBLIC ISSUE

WASHINGTON.—The old issue of states' rights threatens to loom prominently as a public issue in the near future. The fight against the Eighteenth Constitutional Amendment and the Volstead Act promises to be based largely on the rights of the states to legislate for themselves. If the fight is carried out to the extent planned by the Constitutional Liberty League, the states' rights issue will be more prominent than it has been at any time since the days of the Civil War.

Several state governments have already instituted suits before the Supreme Court of the United States to determine the legality of methods by which the Eighteenth Amendment is said to have been adopted. The right of making the amendment is also questioned in these suits. The league has already taken advantage of this state sentiment and has established branches in several commonwealths.

Those who are back of the Constitutional Liberty League hold that the Eighteenth Amendment is absolutely destructive of personal rights and liberties which the Constitution guarantees to the people. With this amendment as an opening wedge, the way is laid open, it is pointed out, for other amendments of a varied character which might revolutionize the Constitution itself.

Fred C. Spaulding, executive secretary of the league, who is extending its organization into every state, says he bases his expectations on the fact that there are large numbers of men who voted against licensing the sale of intoxicants in their own communities and yet resent bitterly an attempt to deprive them of the right to vote for or against such questions.

NEW TASTES NEEDED

The Canadian government has leas-
ed the southern half of Baffin Island
to the explorer, Stefansson.

He proposes to use it to breed
reindeer and musk-ox for food.

A few days ago dispatches announced
the shipment of a large number of
slaughtered reindeer from Alaska.

Some time ago announcement was
made of an enterprise to can whale
meat and market it.

Tuna fish was a rarity a few years
ago. Now it is a common article of
diet, and is to be had in groceries
throughout the United States.

Perhaps whale meat reindeer steaks,
musk-ox, and other game will become
common eventually, and obtainable in
every market.

When this country was younger,
game formed an important article of
diet. But if all the wild game left
in the country were killed and mar-
keted in a single season, there would
not be enough to go around. This in-
dicated the tremendous amount of
food it takes to feed the present popu-
lation of the United States.

Crops are short this season, and
promises of supplies of meat from
new sources take on a new interest.
Musk-ox meat might be welcomed.
Also reindeer venison and whale meat.
If it didn't seem so good as beef, one
might yet cultivate a taste for it.

bed with pity and sympathy for them?
Of course. Most human hearts are
that way. For you know that di-
vorcees darken lives of little children;
that neither the father nor the mother
is just the same to them afterward;
that home isn't the home it used to be.

And haven't you hoped, often, when
reading of those divorce orphans,
that their foolish parents would
"make up," rewed, and begin life all
over again, for their children's sake,
if for no other reason. Which is a
hope seldom realized. However, it
did happen just that way in Los An-
geles the other day.

Clifford G. Fowler and Elsie Mar-
garet Fowler were married. Once
before they had played leading roles
at a wedding—and in a divorce pro-
ceeding. Yes, they had children, chil-
dren who loved both their father and
mother, and who grieved when the
home was broken up.

The son was his father's "best man"
at the wedding. Wasn't that fine?
The daughter was the maid of
honor. More cause for joy!

It wouldn't be at all bad, would it,
if every divorced couple blessed with
children, could—and would—remarry
and give sonny a chance at being best
man, and daughter the opportunity of
being maid of honor.

Hint to Obregon: You can't judge
by a peon's cheering how many he
will assassinate for a dollar Mex.

Back in the gentle stone age the
profiteer knocked 'em on the head for
frisking their pockets.

Chinese carpenters get only 8 cents

queue from the A. F. of L.?

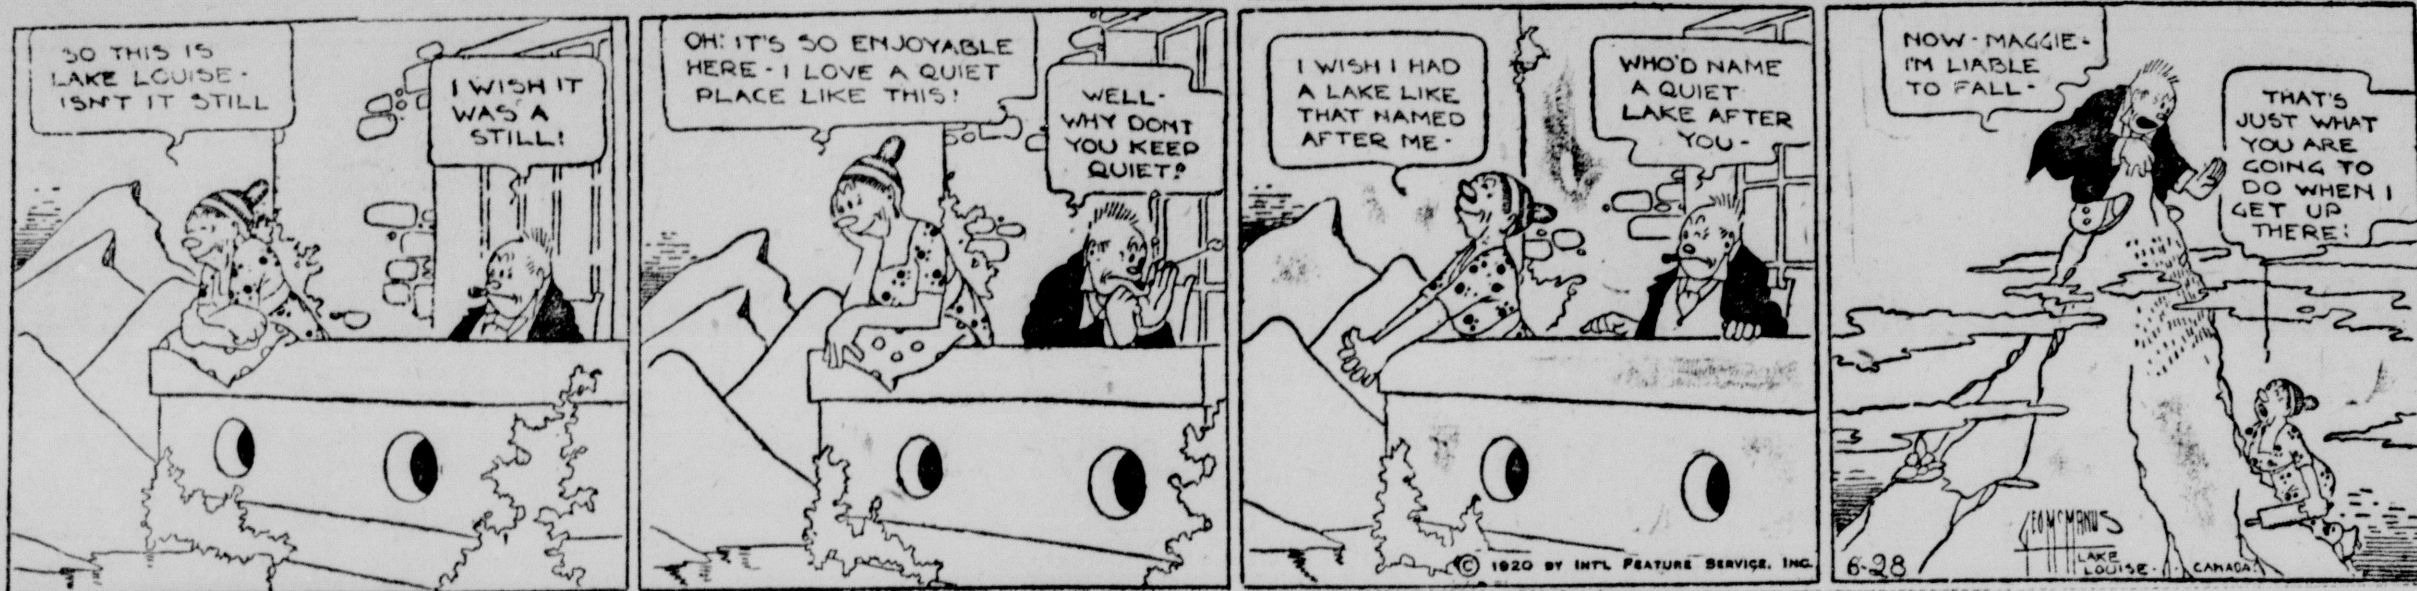

The Poles are still marching east-
ward to continue being menaced by

A man has more room in his pocket
now that the a corker and a nickel
are useless.

In this land of opportunity, the poor-
est boy may grow up to be a president
or a bricklayer.

One reason why overalls didn't be-
come popular is because the things
won't stay creased.

BRINGING UP FATHER.

"WATTA NERVE!"

Mere man has many times said,
"life's just one blame thing after an-
other."

Well, it wouldn't be a bad idea for
mere man to stop and consider this
life he is living in.

Time was when his ancestors—
way back there in the old days—
didn't have nuthin'. History makes
one wonder how they ever got along.
Even a king was a bum—compared
to mere man of today.

No carpets on the floor; no tele-
phones; no automobiles; no electric
lights; no movies—just about no any-
thing!

And here mere man is today heir
to all the inventions of years and
years, and he's yellin' his head off
about life in general.

Gosh, watta nerve!

A girl usually loses her head when
she learns that she is beautiful. That
"perfect Venus" discovered in Car-
thage is headless.

One discovers that his god has clay
feet about the time it begins to talk
and expose its ignorance.

The trouble is that people with an
itch to reform the world always start
on the wrong fellow.

THE THREE QUESTIONS
BY EDMUND VANCE COOKE

There were three questions, which
I was asked:

To make their victims rage;
First, it was not the proper stunt
To ask a lady's age.

Her husband might resent that now.
Or, maybe, he might not,
But do not ask him anyhow.

"How much hooch have you got?"
It once was not de rigueur, quite.

In sorting sheep from goats,
To ask a candidate outright,
What price he paid for votes.

Yet even that query might get by.
But this should be deleted:
Ask no man, with expectant eye,
"Where is your stock secreted?"

It once was wisdom to resist
The impulse urging hot,
To ask the famous novelist
Where he pilloined his plot?
But now, if you are at his home,
As haply you may be,
The question primed to make him
foam

Is "Where d'ye keep your key?"

KEEPING BOYS FIT

One of the most startling facts re-
vealed by the drafting of millions of
men for service in the army was that
in every three men examined one was
found to be physically unfit for mili-
tary duty.

A great many of the ailments were
those which might have been reme-
died early in life if the boys had
been given proper medical attention,
or kept themselves physically fit.

It is estimated there are 6,000,000
boys in America between the ages of
15 and 20 years, who may be very
materially benefitted today by keeping
fit and the United States Public
Health Service is making an especial
effort, in co-operation with other
agencies, to interest this age group.

Superintendents of schools, Sunday
schools, the Y. M. C. A. and the
American Social Hygiene Association
are helping in the work. It calls for
carefully prepared exhibits and lec-
tures everywhere it is possible to get
young men together.

This is sex education of a new sort,
prepared in collaboration with some
of the country's foremost educators.

Marty Mink Returns.

Well sir! Phil Frog had just fin-
ished telling Mr. Tingaling about
Marty Mink's bad luck, the twins, too,
and how Marty had got so greedy he
had dived into the fish-net and got
caught, when there was a scraping
sound way off along the bank, and
who should come into view but Marty
Mink himself, dragging something
most large and cumbersome behind
him.

When Phil Frog saw him coming, he
gave one large croak and dived into
the water, meaning no doubt to cancel
his plans for the summer. With

up this sign. Did you?"

Of course Tingaling said he didn't,
and that, in fact, he and his friends
had just arrived and that Phil Frog
was responsible for it, but Marty didn't
believe him.

"The very idea!" he scolded.
"Don't you know that I make my
living by fishing and that the ice only
melted a few weeks ago, so I could
set my nets?"

It was Tingaling's turn to be sur-
prised. "But your coat," he exclaim-
ed. "Every body says you're rich be-
cause you wear such an expensive
coat."

"By the Great Horn Spoon!" exclaimed Marty, "What's all this?"

Marty Mink home again who could
tell where he might be by the Fourth
of July?

Along came Marty, and the thing
behind him proved to be the very
fish-net Phil Frog had told them
about.

When Marty got near enough, he
saw the "To Let" sign on his front
door. "By the Great Horn Spoon!"
exclaimed he, "what's this? Who says
my house is for rent, and where's my
family? Mr. Tingaling, I suppose
you've put them out because I owe
you three months rent, and then put

"Hm!" exclaimed Marty in con-
tempt. Much good that does me
when it won't come off! I can't sell
it unless I sell myself along with it
and I'd rather be poor.

Well, Tingaling was sorry for Mar-
ty, so he told the twins to help him
hunt up his family, while he went
to tie a bell onto Phil Frog for med-
dling into other people's business.
And taking down the "To Let" sign
off Marty's front door, the fairy land
lord told his tenant to send him a
check for his rent whenever he was
good and ready.

clean mind goes with the clean health-
thy body. The boys are to be taught
to sit and walk erect and to take a
maximum of vigorous outdoor exer-
cise. They are to be led away from
the sex impulse.

Without going into any of the sordid
details the boys are to be warned
of the dangers of venereal infections.
With the groundwork of physical fit-
ness, it is believed much will be ac-
complished with the younger genera-
tion in the fight to eradicate one of
the gravest menaces to the nation's
health.

Q. Would you advise me to try the
treatment mentioned in the enclosed
clipping? I am 65 years old, and have
had a rupture for years.

A. Why do you take stock in
claims of this kind? If you are suffer-
ing from a rupture, by all means
get in touch with a good surgeon.
There is probably no operation which
is better understood by surgeons than
that for rupture, and the results as a
rule are excellent. Sometimes, to be
sure, the wearing of a truss may be
preferred to an operation. In any
event, however, trust to reputable
physicians, and do not be misled by
so-called specialists who advertise
that they have "wonderful cures."

The Camel wriggled an ear and let

But the Donkey had an appoint-

J. M. Sterling,	
W. J. Edwards.	
Thereupon on motion of Supervisor Dyrast, duly seconded by Supervisor Ackland, said report is approved and	

I, the undersigned, Commissioner of Highways in the Town of Alto, County aforesaid, hereby state that we have made a careful estimate of the probable cost of the Ullensvang Low Bridge, or "Overflow" Bridge.

The plans for the same provide for a reinforced concrete slab, crossing the stream at the bottom of the same, and approaching it from both sides at a suitable and easy grade for traffic.

There seem to be two types of construction to consider for this site. One is the usual highway bridge, probably a reinforced concrete girder bridge, calling for a span of at least 50 feet, and costing from \$5,000 to \$7,000. This estimate is from the State Highway Engineer.

The other type of improvement is the one already herein proposed and by the estimate of the County Superintendent of Highways, should not cost over \$2,500.

The Town of Alto applies for aid under one or the other of these two types of construction. The citizens of the town are willing to try the less expensive one, on which aid is above asked.

It is proper to state that the proposed improvement is on a road of secondary importance, having not a great deal of traffic.

And I do estimate that the probable cost of the same will be \$2,500.

Witness my hand, this 15th day of June, A. D. 1920.

Martin Hall,
Commissioner of Highways.

At the hour of 2:30 o'clock in the afternoon, the Board of Supervisors convened. Present same as at the morning session.

Supervisor Andreas presents the following resolution and moves its adoption:

RESOLUTION.

Whereas, it appears to be some bridges throughout the county needing repair or replacing, but which are not yet inspected, so as to learn what is most advisable, and

Whereas, in some cases such town may be entitled, under the law, to "County Aid," and

Whereas, it will unduly defer the construction of such bridges if it is necessary to wait till the September meeting for the securing of such aid,

Now Be It Resolved, that the Road and Bridge committee is hereby empowered to inspect the County's next three months, granting "County Aid," where the claims for the same are valid, and where they fully comply with the law.

The Education committee present the following resolution and upon motion of Supervisor McCleary, duly seconded by Supervisor Richardson, said resolution was adopted by the board:

RESOLUTION.

June 16, 1920.

Board of Supervisors.

Whereas, the Fifty-first General Assembly of the State of Illinois enacted into law an Act providing for the appointment by the County Superintendent of Schools of a County Truant Officer who shall be an Assistant County Superintendent of Schools, and who shall possess the qualifications required in this Act, "and"

Whereas, Such Assistant County Superintendent of Schools shall receive such compensation as may be fixed by the Board of Supervisors, together with his necessary traveling expenses, to be paid out of the County Treasury.

Statutory provision is made as to formal acceptance of appointment, oath of office, bond and duties of said Assistant County Superintendent of Schools.

Therefore, Be It Resolved, That the Board of Supervisors of Lee County, Illinois, hereby direct the County Superintendent of Schools of Lee County, Illinois, on or before July 1, 1920, to appoint said County Truant Officer said officer to begin his duties on July 1st, 1920, and to continue on duty until June 30, 1921, on which date the term of his office shall terminate for the school year, said Truant Officer shall be the only assistant to the County Superintendent of Schools, and shall assist in the clerical work of the office.

Resolved, That the sum of Twelve Hundred (\$1,200.00) Dollars be, and the same is hereby appropriated as salary, and One Hundred (\$100.00) Dollars per year traveling expenses; provided that any unused portion of said traveling expenses for said fiscal year shall remain in the custody of the County Treasurer of Lee County, Illinois, to the credit of Lee County, Illinois;

And, Be It Resolved, That the County Clerk of Lee County, Illinois, be and is hereby authorized and directed to issue an order upon the County Treasurer for the sum of Lee County, Illinois, on the last day of July, 1920, and on the last day of each succeeding calendar month to and including the last of June, 1920, in the name of said County Truant Officer, for the payment of said salary and traveling expenses of said County Truant Officer to be added by the board at each quarterly session, said salary of One Hundred Dollars per month.

Resolved, Further that said County Truant Officer and ex-officio County Superintendent be the only assistant to the County Superintendent, and that all resolutions heretofore existing on the subject of Assistant County Superintendents or their compensation be and the same are hereby repealed.

BOARD OF SUPERVISORS

(Continued from Page Six)

ing them the State will endeavor to allot trucks of the same make as far as possible, in order to simplify the matter of repair parts.

Bodies—Most of the trucks either have no bodies, or ammunition or army service bodies. Undoubtedly many counties will desire to place upon the trucks power dump bodies which will cost approximately six hundred dollars (\$600.00) per truck. These trucks, when returned to the State, must have either the original body or a body of equal value.

Initial Charges—There will be a charge of Seventy-Five Dollars (\$75) per truck which must be paid to the Department of Public Works and Building, Division of Highways, when trucks are ordered, to cover expense of freight, storage and similar miscellaneous charges already incurred by the State in the delivery of this equipment to the State. There will be no additional charge for loading on cars when shipped to the counties but the counties will be required to pay the freight charges from the point of shipment to destination.

Rental and Other Terms—There will be a charge of One Hundred Dollars (\$100) per truck per year or fraction thereof to cover cost to the State in administering the duties placed upon the State by the act of Congress. Payment to be made to the State at the time the order for the truck is placed, and annually thereafter on the first day of May in order that the records of the department may be uniform. The counties will be required to furnish the drivers to pay for replacing tires, and for all repairs. Spare parts will be furnished by the State at a reasonable price to the extent of our supply. In our contract with the counties a fair valuation will be placed upon each truck, this valuation to be determined by the cost of the truck to the government. The counties will be required to keep the cars insured, in the name of the State, against theft, loss by fire, and accident, policies to be filed with the State.

Inspection of Trucks—As stated in the beginning, the title for this equipment rests with the State of Illinois and we are prohibited from disposing of any of it. We are, however, under obligation to see that it is kept in repair; that it is not overloaded; and that it is otherwise properly cared for. This will require the maintenance of any inspection department by the State. To County Clerks (3)

While in the possession of the counties, the trucks will be directly under the care of the county superintendents of highways, who in this connection will act as deputies to the State Division of Highways.

Use of Trucks—A considerable number of the trucks to be allotted has been used more or less. Practically all of the used trucks, however, are in excellent condition. Arrangements will be made to allot the used trucks to the counties on an equitable basis.

All counties wishing to avail themselves of this offer should take action at the April meeting and advise the Division of Highways at once with reference thereto. Most of these trucks are now stored in buildings that are required for other purposes, and hence must be moved at an early date. Appropriations should be made by the county boards as follows:

One Hundred and Seventy-Five Dollars (\$175) for each truck, to be paid to the Department of Public Works and Buildings, Division of Highways, to cover the initial cost to the State and the rental for the first year.

An appropriation for placing dump bodies upon the trucks if the county so desires.

An appropriation for operation and maintenance.

This letter is preliminary to the contract which will be forwarded as soon as we have definite word from the counties with reference to the trucks they desire to lease.

Frank L. Bennett, Director, Dept. Public Works and Bldg.

Superintendent of Highways.

A jelly bag is easily made at home. Take a piece of cotton and wool flannel 27 inches square. Fold two opposite corners together and sew a seam to the other corner, making a cornucopia-shaped bag. The seam may be felled or a French seam made, but the extra strength is necessary. A casing is made at the top and a strong tape runs through. Three or four heavy tape loops sewed to the top so that the bag can be hung up and held open, make it much easier to fill with hot fruit.

In sewing the seam, round the end instead of making a pointed corner.

Paying What's Fair

THE average American is fair-minded. He prefers to pay his way and ask no favors.

People have no objection to paying the right price for a commodity once they know what the right price is.

The right price for gasoline is based first, on the cost of crude oil; second, on the cost of refining; and third, on the cost of distributing the refined product.

During the war prices were fixed by Governmental demand rather than by natural law.

The very low prices obtaining in 1915 were due to two causes—first, to ultra-conservatism due to uncertainty; second, to the spectacular production of oil in the Cushing fields, a production which dwindled almost as magically as it increased.

Since the Armistice the cost of every item entering into the production, refining, and distribution of petroleum products, has increased to an unprecedented degree. The production of crude petroleum has not kept pace with the demand. This has caused fierce competition for such crude oil as is obtainable. This competition has forced the price of crude oil up until it is costing the Standard Oil Company (Indiana), f. o. b. Whiting, \$4.30 a barrel, as against \$2.92 on Nov. 11, 1918—an increase of 47 percent.

Yet in the same period gasoline advanced in price but 24 percent.

Only through the efficiency of large scale refinery practice and through advanced scientific processes of extracting an ever increasing percentage of gasoline from the crude oil, has the Standard Oil Company (Indiana) been able to hold gasoline prices down to present levels, and still yield a fair return to its 4799 stockholders.

It is generally conceded in the petroleum industry that the Standard Oil Company (Indiana) is operating on the closest margin possible.
